**FOR IMMEDIATE RELEASE:**

**November 6, 2014**

### **BOYERS MILL ROAD TO BE CLOSED FOR WEEKEND SEWER LINE WORK**

FREDERICK, MD -- The Frederick County Office of Transportation Engineering advises the public that contractor Concrete General will be performing utility relocation work involving the sewer line at the Boyers Mill Road Bridge over Lake Linganore for the entire weekend, beginning Friday night, November 14, 2014 through early morning Monday, November 17, 2014, weather permitting.

The utility work includes the installation and relocation of a sewer pipeline that ties into an existing sewer pipeline in order to facilitate the construction of the new Boyers Mill Road Bridge over Lake Linganore, which has been under construction beginning May of this year.

Boyers Mill Road will be closed to through traffic for one entire weekend at the bridge site from 9 p.m. Friday, November 14, 2014 through 6 a.m. Monday, November 17, 2014 to allow this work to be completed. The road will re-open by 6 a.m. on Monday, November 17, 2014. A signed detour route utilizing Gas House Pike, Linganore Road, and Old National Pike (MD 144) will be used for the closure.

For additional information about this project, contact Blair Hovatter, Office of Transportation Engineering, at 301-748-4707 or via e-mail at [bhovatter@frederickcountymd.gov](mailto:bhovatter@frederickcountymd.gov) or Jason Stitt, Office of Transportation Engineering, at 301-418-0307 or via email at [jstitt@frederickcountymd.gov](mailto:jstitt@frederickcountymd.gov).
